The Overland factory is at this time 3,000 cars behind on orders. It is not hot air and it is not advertising bluff when we say that the demand for the Overland is growing like a flood. These are actual facts and there is a reason. The very fact that Overlands are hard to get proves their value all the more, and they are well worth waiting for. HUNGARIAN MINISTER MOBBED
Count Albert Apponyi, the former Hungarian minister of worship, whose guest Theodore Roosevelt was on his trip to Budapest, was attacked at a political meeting at Tomesvár Sunday night by a crowd of socialists. They bombarded his carriage with stones and eggs, and drenched the count severely. At a desperate effort, the countmen forced the horses through the mob and the count took refuge in the palace. He was followed by the rioters, who broke practically every window in the palace. The count's face was badly injured and he has been obliged to keep to his room since the attack. He is one of the leaders of the opposition party.

HAPPY is the man who lives in an age where work and achievement is a "Crowning Glory" and where he can be somebody along with the rest of the people.
(HENSHAW)

THAT'S US. We believe in work and achievement. We have started out to do big things and we don't want to stop short of this high calling. We want a heavy run of patronage and we'll put on more steam and extra cars. There will be seats for everybody and we run our excursions DAY and NIGHT.
